JOIN THE "SAFARI!"

- WHERE? Frontier Museum (The Breat Bianchi Invention!"
27999 Front Street
Temecula
- WHEN? 9:30 A.M.
Wednesday, June 16th
- WHY? Because we are "historians"...and this is probably one of
(if not the)greatest monuments to history that shall ever be
erected in our territory!
Mr. John Bianchi has spent (conservatively) about \$5 million
dollars in erecting this great tribute to "western" lore.
You won't believe it until you see it!
- WHAT? You may well ask! The "Frontier Museum" contains possibly
the most fabulous collection of guns (Mr. Bianchi's life-
time hobby) and the "old-time" lore to be found anywhere.
The rest of it we shall leave to your imagination, if this
type of exhibition titillates you!
- HOW? Just drive your own car (pool with friends) and be there
by 9:15 A. M. on the appointed day. Reservations are not
required...except that late-comers will not be included
in the specially guided tour for our FHS group. Price of
admission is \$2.95 per person IF our group totals 20 persons
or more. If not (less than 20) seniors will be admitted for
\$2.95, other adults for \$3.95.

Just take I-15 north to Rancho California Road...take under-
pass to Front St. Simple! There is amply parking space
adjacent to museum (which is adjacent to the Bianchi factory.)
- WHO? Well, our good friend and FHS member, Ernest (Ernie) Boyer...
who is the official curator of the Frontier Museum...will
personally conduct us through the roughly 2-hour tour of
the museum. He then (wearing another hat) will take our
group on a walking tour of "Old Temecula" (approximately
another half hour). From there on, we are all "on our own"
