Dear Members,

All members and friends are invited to an Open House at the Fallbrook Historical House/Museum on February 18, 1990. This is a Sunday afternoon with times from 1:00 until 4:00. Please come and enjoy the old house, some interesting items to look at, good refreshments and very good visiting with each other. Looking forward to seeing you.

Our Busy Board of Directors:

It is time to tell about a few of our activities and some of our Board Members and the manner in which they help.

Dick Griset trucks donations, washes porches, picks up leaves, brush and trash, loans equipment and helps with time and advice. As Vice-President, he only needs to be reminded or asked - and there he is to help.

Ila Driver watches out for our finances as our Treasurer. She has also brought our filing for record keeping up to date which was no small task. Along with her husband, Walter - they have transported donations to the Historical House and worked on landscaping, maintenance and clean-up.

Jack Story furnishes advice, equipment and labor for landscaping, maintenance and clean-up. Plus: "Don't forget to get the gophers." His wife Shirley takes messages and helps with clean-up.

More about Board Members next Bulletin.
