Dear Members:

At last the long awaited day, the dream of many of you, or all of you, is arriving. We are going to have a Museum for the Fallbrook Historical Society. Use permits and building permits have taken lots of time, but now we can begin--not just talk about Someday--but NOW.

This will take more money than we actually have. We have been given donations, and some bequests from former members, and have hoarded our money well. So-----if you have a donation to make at this time, no matter the size, we will put it to good use. If you know of a friend or family member that would like a "piece of the action", please tell them, and thank you in advance.

Another quilt is on its way! In fact, two of them. No.1 will be on the order of our last quilt. \$10.00 will get you a white square, and you can patch, embroider, piece, or whatever you wish. This quilt will stay in the Historical House for all to see. If you are interested, please call 728-7518 and I will send you the white square and we can start.

No. 2. quilt is going to be different. You will send me a form that will give your name and some of your interests, such as gardening, bridge, hand work, quilting or music. This will be stenciled on a white center and then a color will be put on both sides. This square will sit on an angle and be finished with colored material on two sides to form a square. This quilt will also hang in the Historical House. A \$10.00 fee to come with the application blank that I will send to you. Donna Yackey has agreed to do the stencils for us. Let's keep her busy.

Let's all get BUSY--we need your help. Marjorie Yackey  
President

Many thanks to the Fallbrook Vintage Car Club and to the Fallbrook Woman's Club for their very generous donations to our building fund.

We have a display downtown, thanks to Marjorie Yackey. When you are on Main Street, look in the window of Roberta's

We have a display downtown, thanks to Marjorie Yackey. When you are on Main Street, look in the window of Roberta's Antiques (formerly Ports) and see a larger drawing of our new museum and some other items of historical interest. We appreciate the owner's loan of the space.

There is also a display, in the library, of many Fallbrook school items--class pictures, copybooks, and yearbooks--also arranged by our very busy president. She should make a book of the delightful thank-you letters received from students in the many classes she visits. Ask to read them sometime.
