FEBRUARY 1996

BULLETIN

When we increased the Historical Society Board to 15 members we really made some magic. Each person has talents, likes and dislikes, and amounts of time to be given, We have done many things and have accomplished many projects so that the Museum, grounds, the Ford Room and the House Museum are more interesting and informative.

From the double sided questionnaire that 7th graders fill out for extra credit, to people pleasing special displays, to volunteering on the days we are open--these Board Members and the Docents have joined in making the place hum.

Have you noticed the wonderful publicity we are being given by the Enterprise and the North County Times? Well, thanks to Peggy Johnson the community is being notified of our location, our hours, and some of our activities. Of course, having Bob Morse in a picture showing what he has put together for the Museum will draw more visitors to his display of WW II items. Lenon Bezzant does a wonderful job of getting the letters to our donors thanking them for the gifts, and giving the proper papers for both the donors and the MUseums.

All fifteen of our Board Members work very hard at their own assignment so that all runs smoothly. Come to our Annual Meeting on March 27 and meet those you do not know, and say hello to those you do know, and don't forget the thank yous--that is their only pay.

We are always looking for extra money for mortgage payments,

Do you know these entrants in the Pioneer Day Parade of _____?
Juanita Walden of The Westerner is sitting in the back.
